

## AUBURNJAMES® WINERY

### **AuburnJames' Private Room Rental**

The Private Room Rental Fee for 3 hours is \$150. Host must agree to purchase food & wine from AuburnJames to use the room. On Thursday, Friday and Saturday you must have at least a \$400 commitment to reserve the room after 6:00. If you spend \$750 on AJ Food & Wine, the \$150 rental fee will be waived. There will be a \$50 charge per ½ hour for the room after 3 hours. Any use of our space outside of our normal business hours can be accommodated but additional charges may apply.

Our Private Room can easily accommodate 10 guests sitting or 20 guests standing. If you have a few more guests than that, you are welcome to spill into our main tasting area and use the Private Room as your docking station, however please note that the main Tasting Room will remain open.

All food and wine for Private Events must be ordered in advance unless prior arrangements have been made with Management. For 10 guests, we typically suggest our Meat & Cheese Sampler \$60, 2 Bread Baskets, \$14, 2 nuts \$12, 2 Olives \$8, and 3 Ahi tuna or other small plates, approximately \$38. We suggest concluding the evening with our Dessert Wine & Chocolate pairing; available for \$60 for 10. All regular menu items are also available for your event.

Please visit our website [www.AuburnJames.com](http://www.AuburnJames.com) in order to see our full current menu.

Wine Club Members hosting events will receive up to a 20% discount on the wine purchased the evening of the Event. All wine purchased by Event guests must be on the Host's bill to qualify for the Wine Club discount. For planning purposes, please note that we commonly get 4 glasses per bottle.
